

Park and Rec Minutes

10-12-2020

Present: Colby, Karl, Bruce, Diana

Dick Lovelady.... John came at 6:20 pm

Guest: Josh White

Colby called the meeting to order at 5:45 pm

Motion was made by Karl to approve the Sept minutes and was seconded by Bruce. Motion passed.

Public comment by Josh White Camper site #32, was here to ask about cutting down a dead tree by his dock. He also asked about adding rock by his camper at his expense. Motion was made by Diana and seconded by Karl to allow Josh to cut the tree and add rock at his expense.

Coves signs--- still need to be installed.

New shelter house--- John and Dick need to talk again.

Discussion on the water hydrant by the north shelter house.

Bruce talked again about the big wave boats and the damage they do to the docks and shore line.

Karl talked about the growing concern of tree branches growing over the road and scraping campers. The branches need to be trimmed so they don't rub boats and campers.

It appears the City graded on the east side of the Lake.

Dick had no comments.

Diana had no comments.

Colby had no comments.

Reports: Pool... Revenue down this year.

Lake... Revenue was very good this year.

Flea Market Revenue proposals... \$17/noc/camper x 14 days.

Compton is still going to do the swimming pool shelter house to finish it up.

Talked briefly about the jet ski dock at the shelter house at the lake.

Diana made a motion to adjourn that was seconded by Karl. Motion carried at 6:30.
