

Park and Rec Minutes
7/14/2020

Present: Colby, Karl, Diana, Bruce and Dick Lovelady

Meeting called to orders were approved. Motion made by Colby and seconded by Diana. Motion passed.

Old business:

Dick wanted to know why there was no boat dock at Shelter House 2. The water is too shallow. It may be deep enough for a small dock for jet skis.

We need

Roloff's are wanting a dock. A description of the wanted dock was given. Karl made a motion and Bruce seconded the motion. Motion passed.

John: Pool is doing well. They are averaging about 125 people a day. The staff is using a freezer bought by the City at the pool. The staff at the pool are not having any prepared food.

A question was asked about getting a grant for another outhouse. Tabled.

Mr. Ottman might be interested in being the Caretaker next year.

John: Cary Miller complaining about the light around her camper. It is too bright at night and draws insects badly. Karl mentioned trying to take the eye out of the light.

Colby says the dump every 2nd and 4th Friday.

There have been many reports of people swimming by the boat dock. There is a sign there but it is hard to read. We need a sign there with NO SWIMMING stenciled on.

There are piles of dirt by Stirton's camper. Leatherman's have brought it in to level out the spot where they have their camper.

The changing tables for the Blue Building have not been ordered yet.

The Blue Building has not had much use in the last 4 months.

The chain on one of the play ground equipment needs to be replaced.

New benches for fishing have been placed on the east side on the lake.

Diana made a motion to adjourn. Bruce seconded the motion. Motion passed.
