THE HILL: Camping spots 98, 99, 100, 101 will be relocated to spread them out and a roadway will be added.

Gravel and dirt have been added to camping spots 88 and 90.
Camping spots 39 and 90 are still open.

14 day spots need work before Memorial weekend.

POOL: The lights are awesome and the grass is starting to grow. The guys did a great job. The pool is due to open Memorial weekend. May 20th the Everest Middle School will be at the pool for their "Rewards" program.

John is to check on benches and tables to set around the pool. We will be reimbursed by Grant monies.

BALLPARK:

The Concession stands are all cleaned up, H2O is on, Bathrooms need work, Field has been dragged and is ready so Everest can use the field for practice. Bobby Bacon is going to paint benches.

4th of JULY

We would like to get some things started at the lake or wherever help bring people to town to celebrate the 4th. Will try to get ahold of the CLJC train for the little ones, some kind of music, Tournaments for Horseshoes, VB, ect., Homemade ice cream, bounce houses and that sort of thing.

Diana talk to Tara Speers to see if Reinvent would want to join use in this endevour.

John is to let the school know they cannot use Armory for practices anymore due to Ambulances is stored there, also maintenance and utilities.

BUOYS:
Diana get ahold of George Wingo to see if Fish and Game can move the north buoys in to line to mark where NO WAKE is.

Karl made a Motion to adjourn. Bruce seconded motion. Motion passed at 8:17pm.
