Minutes of last month:

Kim talked about the campers on north end. Camping spots 87 and 88 are now combined and 89 and 90 are combined into 2 spots instead of 4 spots. Denise Lawrence is being allowed to rent spot 40 on the north end.

Tim brought up possibly making camping spots on the east side of the Little Lake. The thought is to make them into 14 day rentals.

Tim and Committee talked about KDOT Grant for making a walking trail that incorporates the schools and goes from the Lake to the Railroad Park.

Colby brought up the need for repairs to the outhouses on the east side of the Lake. Both need roof repairs and other general repairs. Can the City employees do this??

The tennis court will need new cement before we can make it into a basketball/tennis court. The cost will be approximately \$8000.

Tim brought up to Carissa's Caution Life Jacket Loaner Station at Mission Lake. It is such an honor to be the pilot station for having loaner life jackets available for keeping children safe.

Diana made a motion to adjourn the meeting. Karl seconded. Motion passed.
