Carol Stirton, Assistant City Clerk  
Brianna Dowell, Utility Billing Clerk  
Bryan Stirton, Mayor  
Ken Krug, Commissioner  
Wade Edwards, Commissioner  
Rex West, Commissioner  
Richard Lovelady, Commissioner

The City of Horton is currently seeking proposals to inspect the City's 250,000 gallon elevated Water Storage Tank. We are requesting an ROV inspection proposal, but would also consider other alternatives.

The inspection shall be performed in compliance with American Water Works Association standard C652-92 and Occupational Safety and Health Administration standards.

I have attached a couple exterior photos for your review!

Please submit RFP's no later than Aug.2<sup>nd</sup>, 2021 to :

City of Horton  
205 East 8<sup>th</sup> P.O. Box 30  
Horton, Kansas 66439

Re: Water Tower Inspection

This is for an inspection only, and in no way guarantees the selected vendor any additional work. After reviewing the inspection(s), the city will determine how, when, and who will perform the identified maintenance to be done.

The selected contractor will coordinate with city staff to prepare whatever draining of the tank is necessary, prior to inspection.

The City does have the right to refuse any and all proposals.

Interested contractors shall contact City Administrator John Calhoon @ 785-486-2681 or by email @ [john.calhoon@hortonkansas.net](mailto:john.calhoon@hortonkansas.net).
