

Park and Rec meeting Minutes  
1-13-2020

The meeting was brought to order at 6:34pm by Colby.

Present: Diana, Karl, Colby

Also attending: Dick, our new Park and Rec City Counsel Rep and John, the City Admin.

Karl made a motion to accept the December minutes as written. Diana seconded the motion. Motion passed.

Jim Hoffman will continue as the Caretaker of the Mission Lake.

The selection for camper sign up will be March 20, 2020. It will be lottery style, like usual.

Update on shelter house, from Karl, Mark Compton is to finish up on the flashing. The flashing and the concrete are the two things that need to be done. The concrete guy was supposed to be here tonight but he had a death in the family.

John: There will be some rearranging done on both of the new 14 day camping spots. Jody Leatherman still wants the same spot in the East 14 day camping area. The Park and Rec committee is in agreement that she needs to take her chances at the March drawing like everyone else.

Dick: Wanting to know about the Mission Lake signage.

Karl: Mentioned the signs for the lake will cost \$29.22 for a 24" tall x 16" wide tin sign.

John wants a map of the lake once the signs go up.

Karl was asking what can be done about the potholes around the west side of the lake. John will look into it.

Diana made a motion to adjourn, seconded by Karl. Motion passed.
