

Located on the east edge of town, Mission Lake is a camper's paradise, with over 100 RV spaces that include individual electrical hook-ups. There are season camping permits as well as daily permits available.

A golf course, shelter houses, shower houses, Hickory Point playground, sand volleyball court, horseshoe pit, and a basketball court are also available. Shelter houses require reservations, which can be made by contacting the lake caretaker.

Water related activities include fishing, boating, water skiing, jet skiing and swimming. (See lake regulations for water related activity restrictions). Fish found in Mission Lake include largemouth bass, flathead catfish, channel catfish, crappie, and bluegill.

A boat ramp, docks, and a fish cleaning station are also available. Camping season is open from April 1st to October 31st.
