Second Harvest -NO HUNGER SUMMER:
Free Meals for Kids!

Summer Meal Program hosted by Horton
Public Library:

Five days a week Mon-Fri, kids across our
area can come to our No Hunger Summer
Cafe Site to receive a nutritious lunch
(currently grab & go sack lunches). Second
Harvest provides this opportunity to us to be
able to reach out with free lunches & stop
hunger in our community.

With the help of local volunteers we aim to be able to continue to provide this program every
year. Because every summer should be a positive & fun experience. No child should spend that
time in a state of hunger.

The Second Harvest Community Food Bank, provides this opportunity to us as they know that
summer break takes away the opportunity for kids that receive free or reduced-price lunches to
have access to nutritious foods. The No Hunger Summer feeding program provides free lunches
to children 18 and under five days a week during the summer.

Mon- Fri May 21st - Aug 31st from 11:30am-12:30pm @ The Horton Blue Building
